The Sleeping Beauty tells the classic tale of fairy godmothers and witch's curses known throughout the world to every parent and child. See the story of a sleeping princess, a handsome prince, and the triumph of good over evil. A tale brought to life by Orlando Ballet dancers with Tchaikovsky's stirring score. A glorious and lavish production, filled with magnificent dancing and bravura variations. The sets and costumes are by **David Walker** from the Royal Ballet, Covent Garden.
